Random Acts – Paying it forward

Charity seeks to make lives better with kindness

**For years belonging to the Tree and Cards Club Las Vegas, this year's RANDOM ACTS Night is set to bring more success than any of the past weekend. It's not every day that a child gets a chance to add their hand to Las Vegas Valley Speke's third nature of creating, with their annual event being held on Saturday, which marks the beginning of the club's tenth anniversary.**

**It's a momentous occasion for the organization, which has been raising awareness and support for the Las Vegas Valley Speke's mission of preserving and protecting the environment.**

For Celine Monnier, director of Random Acts, the public's growing involvement was something to behold. “We've seen an incredible response from the community, both in terms of support and contributions,” said Monnier. “Thank you to everyone who has come out to support and make this night such a success.”

It was a night to remember as Random Acts hosted its annual event, which included a performance by renowned singer-songwriter, a special segment on the organization's success, and a raffle to raise funds for their cause.

Monnier took to the stage to acknowledge the hard work and dedication of everyone involved. “It's a testament to the power of kindness and the impact it can have on our community.”

The evening included a keynote address by a guest speaker who shared their experiences on how small acts of kindness can lead to big changes. The audience was inspired and encouraged to pay it forward and make a difference in the world.

A highlight of the night was the presentation of awards to individuals and organizations that have demonstrated outstanding commitment to kindness. The awards recognized acts such as a local business owner who regularly helps out at shelters and a student who volunteers at the local animal shelter.

The evening concluded with a fundraising auction, where guests bid on exclusive experiences and items donated by local businesses and organizations.

Random Acts continues to grow in popularity and impact, with Monnier and her team looking forward to more opportunities to make a positive difference in their community. “We're excited to see where this journey takes us and grateful for the support of our community.”

Random Acts is dedicated to fostering kindness in our community and creating a world where everyone feels valued and supported. They encourage everyone to find ways to pay it forward and make a positive impact on the world.

**About Random Acts**

Random Acts is a Las Vegas-based organization dedicated to promoting kindness and embracing community. They believe in the power of small acts of kindness to make a big difference in the world.
